SUBJECT

: Attorney General Procedures

I have discussed the subject with the General Counsel as I mentioned in our Tuesday meeting. The points that were raised in our meeting were reviewed and he formulated a position that I have tried to outline in the attached draft which is, unfortunately, due by 2 June. I am sending it to you for any comment that you may want to make prior to it being cast in final form. I recognize that the time has been extremely short for this review. I am trying to get Justice to give us a little more time, but I do not yet know whether they are agreeable. For the moment, I am of the view that we must assume that we still must have our comments to them by this Friday. Thus, any comments you may have before then would be appreciated.
